› F&I team coaching

PROFESSIONAL SUMMARY

Automotive Finance & Insurance (F&I) Director with 15+ years of illustrative experience leading vehicle financing, insurance verification, lease documentation, regulatory compliance, and customer protection education in Tesla-focused retail operations. Skilled in lender coordination, accurate disclosures, contract funding, team development, and efficient electric-vehicle deliveries.

PROFESSIONAL EXPERIENCE

Director, Finance & Insurance Operations | 2021–Present
Tesla Retail Operations (sample) · Austin, TX

Lead regional finance and insurance processes, lender coordination, compliance controls, and customer delivery readiness.

- Directed loan, lease and insurance-verification workflows across 9 retail and delivery sites, supporting 500+ monthly deliveries.
- Raised F&I contract accuracy to 98% with standardized disclosures, insurance checklists, and pre-funding reviews.
- Cut documentation rework by 27% and coached 24 advisors on financing options, coverage verification, and customer consent.
- Worked with lenders and insurance providers to resolve funding stipulations, proof-of-coverage issues, and title exceptions.
- Reviewed financing terms and optional coverage choices with clear, compliant customer communications.
- Built F&I dashboards tracking contract funding, coverage verification, exception aging, and disclosure compliance.

Regional Finance & Insurance Manager | 2017–2021
Tesla Retail Operations (sample) · Denver, CO

Managed regional auto finance, insurance documentation, lease transactions, and F&I training for an EV retail network.

- Implemented loan, lease and insurance-documentation audits across six sales and delivery teams.
- Improved contract-funding turnaround 22% through lender follow-ups, coverage checks, and exception tracking.
- Coached advisors on credit disclosures, fair lending practices, insurance requirements, and optional protections.
- Reviewed F&I compliance exceptions and delivered corrective training on documentation and customer consent.
- Coordinated finance approvals, insurance evidence, trade-in payoffs, and lender funding requirements.

Finance & Insurance Manager | 2013–2017
Tesla Retail Operations (sample) · Phoenix, AZ

Oversaw daily customer financing, insurance verification, compliant paperwork, and electric-vehicle delivery readiness.

- Coordinated finance approvals, lease contracts, insurance binders, customer disclosures, and delivery appointments.
- Improved on-time delivery completion by tracking lender approvals and required insurance documentation.
- Reconciled contract and insurance exceptions before vehicle handoff to reduce customer delays.
- Escalated missing coverage evidence and funding stipulations before scheduled customer deliveries.

Automotive Finance & Insurance Specialist | 2010–2013
Electric Vehicle Retail Group (sample) · Las Vegas, NV

Supported vehicle loans, lease agreements, insurance documentation, and F&I disclosure accuracy in EV retail.

- Prepared credit applications, finance agreements, proof-of-insurance records, and lender packages.
- Explained financing and insurance requirements clearly while documenting voluntary customer selections.
- Assisted with funded-contract audits, insurance follow-ups, payoff requests, and file reconciliation.
